

U21 Womens' Fiji Tour
November 2005

Player Expression of Interest

Following a number of successful visits to Fiji by a Victorian Country U21 mens' team, the Fiji Hockey Federation is keen to host a visit by a young womens' team. To this end I am attempting to gauge the interest. Many of you have expressed a verbal interest before and this is your chance to get such a tour off the ground. I am sure those who have been to Singapore with the U18 team will be keen to tour again.

If you are interested, complete the form below and send it to me or email a statement of your interest.

My contact details are: mpnelson@bigpond.net.au
